Health Career Students have competed and received 3 spots in the **Summer Health Career Institute** put on by SRJC. There were over 125 candidates this year and we are proud of these folks for achieving this opportunity: Giovanni Espinosa, Rosa Palmerin and Tiffany Tran.

HOSA- Health Occupation Students of America

Our first year boasted 15 members and a sturdy group of 6 to take on our first State Leadership Conference in Sacramento for Health Education and Sports Medicine competitions- next year we are confident we can take more students and bring home some Gold !!

Career Technical Student of the Year- *Tiffany Tran*

was selected as the county representative for all ROP programs to be recognized for her effort, ability and enthusiasm in our HSI program. She is our HOSA secretary, did her internship with Dr. D'Costa in Diabetic wound care and is a dedicated young woman with a career goal of Dermatology.
