

Piner Grad Night

class of
2016

December 2015

Dear Seniors and Parents,

Each year the parents of Piner High School put on an all night, drug and alcohol-free Grad Night party for the graduating class. Live entertainment, a DJ, interactive games, refreshments, and prizes keep the graduates celebrating in a safe environment into the early hours of the morning. This year's party takes place at 9:30 p.m. on June 3, 2016.

Grad Night is a celebration for the entire PHS and Grace Class of 2016. It is the last chance for the seniors to be together as a group. And, it is not limited to graduates only. If your student has had academic or other difficulty and will not be "walking" in the graduation ceremony, they are still encouraged to attend Grad Night and celebrate with their class!

The reservation for Grad Night is \$50 (\$60 at the door), which includes EVERYTHING at the party. Students only need to bring their ID that night – no money is required after they have their reservation. If your student needs financial assistance, scholarships will be available. Forms can be found in the business office or the Project Grad website, www.pinerhigh.com/proj_grad.htm.

It is time to make your reservation for Grad Night. Please read the attached information carefully. Complete the contract and risk agreement, making sure all required information and signatures are supplied. Return your complete forms along with payment to the PHS Business Office (checks made payable to Piner Project Grad). Students can earn bonus grand prize raffle ticket for **early reservations**.

Many families celebrate graduation with parties at home. We suggest scheduling your family gathering around your graduate's schedule so that your student can enjoy both without a time conflict. This is a drug and alcohol free party and we ask that you respect this concept. We hope that seniors won't be served alcoholic beverages prior to the event and cause a situation in which the committee would have to turn him/her away from Grad Night. Party-goers are subject to both a personal and belongings search upon arrival at the event.

The last few months of high school will go by quickly. Graduation will be here before you know it. We hope that all seniors will plan to attend PHS Grad Night 2016 and make it our biggest event ever!

Sincerely,

Piner Project Graduation Committee

Want to volunteer to make this a great party for your senior? Have a prize that you or your company would like to donate for the students? Contact Piner's Project Grad committee at pshprojgrad@gmail.com.
