

Question Persuade Refer (QPR) Certified Gatekeeper Course

Sponsored by Sonoma County Behavioral Health

Each year thousands of Americans, like you, are saying "Yes" to saving the life of a friend, colleague, sibling, or neighbor. As a QPR Certified Instructor you will be teaching others this valuable information.

Like CPR, QPR is an emergency response to someone in crisis. Like CPR in the Chain of Survival from life threatening medical crisis, early recognition of warning signs, early intervention and early professional assessment and care can save lives.

Question, Persuade, and Refer:

- 3 simple steps that anyone can learn to help save a life from suicide
- Learn how to teach others to recognize the warning signs of a suicide crisis
- Learn how to teach others how to question, persuade, and refer someone to help
