Piner HS Advertising

- Our 180 page all color book runs on a budget of over \$40,000.00 and is completely self supporting through yearbook sales and our advertising supporters
- Our enrollment is approximately 1,000 students and your ad will not only be seen by the students, but by the families as well!
- Your ad is tax deductible
- Unlike athletic programs, the yearbook is for every single student at Piner High School . . . not just a certain group
- Our business advertising section is blended with our popular personal ad section to ensure that your ad will be seen
- You can add a photograph to your ad at no charge. This is a great way to involve Piner HS students with your business
- A thank you certificate to be displayed at your business will be presented to all advertisers
