Winter 2016/2017 Athletic Clearance

The Piner High School Athletic Department would like to announce the clearance and concussion screening dates for the upcoming season of sport. These times are set aside for completing the registration process. This process is a requirement to participate in any interscholastic athletic activity. Note that attendance of a clearance date is not necessary to participate in athletics. It is against SRCS and NCS/CIF policy, however, for a student athlete to participate in athletics without successful clearance through this process. Therefore, if your student cannot attend a clearance date, they must see an Athletic Director for clearance before they are allowed to participate in any official athletic practices or contests.

Winter Sports

First Official Day of Practice: November 7th, 2016

Final Registration Date: December 16th, 2016

Winter Sports Clearance Dates:

(All Clearances will be in the Performing Arts Center)

October 29th, 2016 9am

November 5th, 2016 9am

Please note that **Athletic Registration Packets*** must be received by the Athletic Directors by 4pm on the **Final Registration Date.** After this date and time, the PHS Athletic Department will no longer accept any new student-athletes for the current season.

*Athletic Packets are located in the Main Office, or online at http://www.pinerhigh.com/sports.htm

Winter 2016/2017 Concussion Screenings

Santa Rosa City Schools, North Coast Section, and California AB 2127, require that student-athletes complete a baseline concussion screening program prior to participation in any practices or competitions within their sport activity. This screening requires both a computerized baseline testing, along with an educational seminar on concussion signs and symptoms. Both portions must be completed before a student is cleared to participate in any athletic event. Total estimated time of the screening is 2 hours.

Piner High School offers these screenings at no cost to families. The Athletic Department has scheduled several dates for these screenings in order to accommodate the needs of students and their families.

Winter Sports Screenings:

October 29th, 2016 10am (Performing Arts Center)

November 5th, 2016 10am (Performing Arts Center)

November 9th, 2016 2:30pm (Location: TBD)

November 17th, 2016 2:30pm (Location: TBD)

Please check with your coach, an Athletic Director, or the school web site to confirm the dates and times of these mandatory screenings.
